(57) **CLAIM**

The ornamental design for an industrial floor drain, as shown and described.

**DESCRIPTION**

FIG. 1 is a plan view showing my new design of an industrial floor drain having an ornamental polished stainless steel mirror finish on the top and interior surfaces thereof.

FIG. 2 is a top perspective view of the new industrial floor drain design.

FIG. 3 is a plan view of a basin portion of the new industrial floor drain design having the ornamental polished stainless steel mirror finish on the top and interior surfaces thereof.

FIG. 4 is a plan view of a strainer basket portion of the new industrial floor drain design having the ornamental polished stainless steel mirror finish on the top and interior surfaces thereof.

FIG. 5 is an elevational side view of the new industrial floor drain design.

FIG. 6 is a top perspective view of the basin portion of the new industrial floor drain design; and,

FIG. 7 is a bottom view of the new industrial floor drain design.

The broken line showing is for illustrative purposes only and forms no part of the claimed design.
